6. Untamed Heart: A Solo Exhibition (Mumbai)

After 18 years, artist Laila Khan Furniturewalla returns with *UNTAMED HEART*, a powerful solo exhibition that delves into identity, memory, and the mystical. Deeply personal, the show reflects her spiritual connection to Lord Ganesh—not as an idol, but as an evolving presence. Through sculptural portraits layered with sand, gold leaf, and pigment, Laila explores strength and vulnerability in equal measure. The exhibition also stands as a heartfelt tribute to her parents, Sundri and Feroz Khan, whose legacy continues to inspire her art.

When: 16th to 22nd April, 11 AM to 7 PM
Where: Gallery Art & Soul, Worli, Mumbai
